

AMTS

EDITION 16

2022 27-29 MAY
HUNGEXPO

Meet us at Automobil & Tuning Show Budapest, Europe

AMTS - Automobil & Tuning Show - is Hungary's main automotive event and one of the greatest indoor car shows in the middle of Europe. It has been created by the collaboration of many famous exhibitions and shows of the country. The season opening festival takes place at the Budapest Fair Center - Hungary's largest exhibition venue. In 2022, AMTS will have **more than 1.500 unique vehicles** of 15 countries exhibited in **more than 120.000 square meters**.

During the three days of the show, indoor and outdoor automotive programs will be entertaining the visitors all day long. AMTS consists of 10 unique events, namely Carstyling.hu Tuning Show, Car Saloon, Drift Championship, Hot-Rod Show, Off- Road Show, Classic Car Show, Historical Automotive Exhibition, EV-Greentech, SUV Zone and the Tuning Car Meeting. All of them can be visited with the same ticket!

CAR SALOON

New cars and importeurs

In the hall dedicated to the exhibition of saloon cars, the visitors can meet the latest models of manufacturers, car importers and dealers.

EV-Greentech: electronic car exhibition

Our exhibition provides a guided tour of the environmentally-friendly transport industry, showing the electric and hybrid cars of the present and the future which are available in Hungary.

SUV Zone: crossover and pickup exhibition

Our theme walks through the well-known sport utility vehicle and pickup categories and at the same time also introduces the related models available in Hungary.

TUNING & CUSTOM

Carstyling.hu Tuning & Hifi Show

The most significant tuning show of Central-and Eastern Europe presents vehicles, stands of international tuning companies of more than 15 countries.

Show For Real Cruisers

Hand built muscle and veteran vehicles, incredible custom machines, pin-up girls and spectacular show is awaiting at AMTS's hot rod section organized by the team of '50 Brothers.

International tuning meeting and competition

Hungary's greatest tuning car meeting, with hundreds of tuned cars of the country, and a constantly growing number of cars from the international scene with Show and Shine and DB Drag contest.

CLASSIC & OLDTIMER

Classic Automobil Show

For fans of old-timers, veterans and American cars, AMTS brings you the correct line-up in an own pavilion dedicated to classic vehicles.

Exhibition for Concepts and Automotive Inventions

Hungary has given many great creators to the auto-motor world. This idea gave birth to the "Hungarians in the International auto-motor industry" theme, which has been part of the show for seven consecutive years now.

Famous celebrities of the automotive scene

AMTS is a meeting point for many of our national and international public figures, builders, racers and celebrities with whom visitors can meet in person.

RACING & ADRENALIN

Gymkhana and Drift Championship

As for the eighth year now, the racing season also starts at the AMTS with several hundreds horsepower cars and the best pilots of Hungary.

OFF-Road Show Hungary

The newest theme of AMTS explores the world of off-road driving. Exhibition of special trucks transformed and built by Hungarians, which can be watched in action on an onsite professional off-road track.

Day-long indoor and outdoor programs

The show never stops at the AMTS: while the - unique in Europe - indoor car catwalk stage gives place for non-stop shows, beauty contests, concerts and presentations; continuous adrenaline rush awaits at the outdoor stunt-arena.
